About the artisans, clothiers, Mennonites and colonists who arrived from the border to settle in Russia and about the amount used for travel expenses. Through Grodno to Poltava, Taganrog, Ekaterinoslav, Odessa, Kherson

October 1808 – December 1809

This file contains lists of Colonists who departed from the Russian border at Grodno (now in Belarus) for the Russian interior. The file is written in Russian and consists of 1072 families. It names the head of the family, the individuals included in the family with their relationship to the head, ages, places of origin, religion and intended destination.

The Archive images were obtained by Sergey Safronov and were provided by him.
