

## Forward to McIntosh County Cemeteries

I am Allen E. Konrad, born in 1939 in Pomona View Township of LaMoure County, North Dakota. My career for 37 years was that of a pastor of the Lutheran Church-Missouri Synod, of which 20 years was spent as a missionary in Africa. After retirement, I wanted to offer some kind of service in the area of genealogical research which would assist those hunting for information from the area in which I grew up. Having family in all four counties, in the summer of 2007, I began gathering information on the cemeteries in the North Dakota counties of Dickey, LaMoure, Logan and McIntosh. My goal was to try and identify as many cemeteries as possible, take a picture of each cemetery in its present condition and record the location by global positioning satellite (GPS), the new Rural 911 road identification system, and the county plat method of Section (Sec)-Township (Twp)-Range (R). In my research that follows, you will notice an asterisk (\*) after the name of each cemetery that I saw and photographed.

What follows is a list of cemeteries that I have identified so far. The county information is set up with an alphabetical listing of all townships. Where a township has more than one identified cemetery, the cemeteries are identified beginning with Section 1 down through Section 36. Included in the information about the cemetery, if known, will be a source listed which will direct the researcher to a place where names and dates of those buried in that cemetery can be obtained. My lists of burials give all names in family alphabetical order. Some of the sources I used were attempts to walk through a cemetery and record information from gravestones as they stood one beside the next. To discover in my lists how one person might be related to another, you will need to check out the sources which often reveal relationship by who is sharing a gravestone, or who is buried within a family plot. I have also discovered that a person may not actually be buried where the church records indicate. The body may have been buried in a neighboring sister congregation cemetery, or may have actually been buried where indicated but disinterred and relocated to another place years later.

Since I started this project, I have continued changing my ideas as to what information I would like to include. Originally, I had no plan to show who was buried in each cemetery. Eventually, I decided to compile a listing of burials in as many cemeteries as I could find information on. At first, I put all names together without indicating which source revealed which particular burials. Later, I decided to give a specific color to each source so the researcher can tell by the color of the name and data where the information came from. I wish I had done that right from the beginning. One problem I came across is that the more sources one uses the more chance there is of data conflict in how names are spelled and birth and death date variations. Sometimes, information on a gravestone is so weathered it is difficult to know what the number or letter is. It is not intended that this project becomes the final word, but gives you the opportunity to search electronically for names of deceased throughout the county.

I have noted **Photo Available** to indicate that I have on file a picture of that specific cemetery. The code I have used includes a two digit identifier of the county, the name of the township and then the name of the cemetery or burial site.

In 2010, I finished another cemetery project of photographing the tombstones in cemeteries within a certain distance from Fredonia and Kulm, the two towns I once lived in. After reducing

the resolution of the pictures, I up-loaded them to the internet site. If this is of interest to you, check out [www.northdakotagravestones.org](http://www.northdakotagravestones.org) for photos pertaining to Dickey, LaMoure, Logan, and McIntosh Counties.

If you are aware of any burial site not mentioned in this document, then I would appreciate it if you would contact me with the details so that I can add it to my growing list of cemeteries. As of the beginning of 2011, I can be contacted by mail at P.O. Box 157 Rowley, IA 52329. You can also reach me by e-mail at <onamission@lbt.org>

Zions Church I in regard to the cemetery conformity that now has to be registered according to N. Dak. Law. **The job** was given to H. Hutter (Henry Huether) who promised to draw a sketch (blue print) for \$5.00. Then to stake it out for .70 cents an hour. The lots are to be 20 X 20 feet, but there are to be plots for single graves too. The following persons selected their lots in the following rows. 1, J. C. Bertsch, 2, Sam Otterstetter, 3, Gottl. (Gottlieb) Ley, 4, Gottfr. (Gottfried) Bertsch, 5, Jacob Woeszner, 6, Konrad Otterstetter. Also decided that Mathilda Otterstetter is to have a grave for free. Non members pay for one grave \$5.00. (The former order was for outsiders to pay \$10.00 which now is not valid.) But they can purchase single gravesites. The other orders in regard to the cemetery stay the same. **1.** All that pay the pastors salary and other expenditures of the church have the cemetery property free but loose it as soon as they don't fulfill their duties or if they leave the congregation. **2.** Only Lutheran Pastors are to officiate on Lutheran Cemeteries.

reference to [*Minutes of Congregation Meetings*,p.8]. Congregational meeting held 26 March 1905 after the service. It was decided that Zion (Church) congregation goes by the name “Zion’s Evangelical Lutheran Church at Coldwater McIntosh Co. N. Dak” to be stately incorporated which also by the deacons of this congregation Johannes Bertsch, Gottlieb Ley and Johannes Maier, who are also, trustees or administrators for this to take place. Also decided that the land on which the church stands, (the owner of this land) to have 2 deeds (security information) made to which Mr. Jacob Woszner (Woeszner) and his wife Anna Maria nee Biederstadt were ready, that it be taken care of according to Mr. Woesznerns wishes in the following manner. Deed I describes one-acre land on which the Lords house stands, shall only be for the time belong to the congregation as the church is standing on it and used for churchly duties. Deed II describes also 1 acre of land which will be used for a cemetery which will be the churches property for all time and only be used for burials as long as the Lords house is on the acreage adjoining it and is used by the congregation. In Deed I, the congregation is to have a 10 ft. wide way or road North from the church land to the section line till to the cemetery will be owned by the church as long as the church is there. Also take note that according to Deed I, the congregation is not allowed to build a new church on that acreage. For more accurate information about the deeds, consult a real estate agent. Afterwards it was also decided that incorporation papers and also the acreage records be recorded in the county’s book to be registered. Since the law requires that any corporate congregation has to have a secretary for whom Jacob Fregien was elected, also a treasurer has to be on the staff to which Johannes Maier was elected. Being he was a trustee he was not to hold that position. So Friederich Skaley was elected as trustee in his place. Both meetings are legal till the regular meeting in November of this year. [*Minutes of Congregation Meetings*, 05 Oct 1931,p.41] On 5 October a meeting was held at the Ev. Luth. Zions Church I in regard to the cemetery conformity that now has to be registered according to N. Dak. Law. The job was given to H. Hutter (Henry Huether) who promised to draw a sketch (blue print) for \$5.00. Then to stake it out for .70 cents an hour. The lots are to be 20 X 20 feet, but there are to be plots for single graves too. The following persons selected their lots in the following rows. 1, J. C. Bertsch, 2, Sam Otterstetter, 3, Gottl. (Gottlieb) Ley, 4, Gottfr. (Gottfried) Bertsch, 5, Jacob Woeszner, 6, Konrad Otterstetter. Also decided that Mathilda Otterstetter is to have a grave for free. Non members pay for one grave \$5.00. (The former order was for outsiders to pay \$10.00 which now is not valid.) But they can purchase single gravesites. The other orders in regard to the cemetery stay the same. 1. All that pay the pastors salary and other expenditures of the church have the cemetery property free but loose it as soon as they don’t fulfill their duties or if they leave the congregation. 2. Only Lutheran Pastors are to officiate on Lutheran Cemeteries.

The original location listed in the Lutheran Church Centennial book of 2003 for St. Paul Lutheran shows it as Section 12-T129-R 67 in McIntosh County and there are burials at this site. It is very difficult to get to this site. The building at this site was sold to a John Hoffman and he used the lumber to build a house for his

son, John R. Hoffman. Another building was purchased and moved to a new location in Dickey Co. Sec 30-T130-R66. Marvin Schneider said it was not very far north of Highway 11 and was in Dickey Co. I have been told that they never did any burials at this 2nd site, rather they did continue burials at their first site. The article reads that this new site was for better road access to the new church. Marvin Schneider also said he does not know if the new site had a different name.

Rudolph, Ashley, North Dakota, as recorded in *Centennial Celebration Sunday Service Bulletin May 11, 2003*. A small group of Lutherans gathered every Sunday for reading services in the home of Wilhelm Ley located 4 miles North of Ashley. The early 1900's saw the beginning of a cemetery near the lake 2 miles East of Wilhelm Ley farm started by the Ley Families and became known as the "LEY CEMETERY."
  - Source: Mr. Orion Rudolph (Ashley, ND) e-mail 12 Sep 2009 - Henry Eszlinger lived very near the Ley Cemetery and was in charge of it. He died in December of 1999. The Ley Cemetery is associated with the Emmaus Lutheran Cemetery. Mr. Rudolph has heard it said many times over the years that many years ago, like maybe even before his time, this site was condemned by the State Health Dept as being too close to a lake. And it really is too close. At this particular time (Sep 2009), all of the site is under water and has been since 1997, 10 years already, when the area had so much snow that winter. There are some photos available that were taken many years ago of some of the tombstones before the lake grew so large. Mr. Rudolph does not know how many tombstones there might be altogether but feels that once the lake level goes way down more gravestones might be located.. When the State Health stopped them from having any more burials there, the pioneers moved and started another church site at Kisselberry Township T130-R69-Sec 15, now called Emmaus Church & Cemetery. The following burials are a composite of information from the work of Kermit Karns, a scrap book compiled by Romona Hoffman, and information transcribed from the Emmaus Church Record Book by Orion Rudolph: **ESZLINGER**, Conrad (16 Jul 1914-26 Mar 1916), Jacob (11 Sep 1915-30 Aug 1918), Lydia (11 Jan 1912-18 Mar 1916); **GOEHRING**, Edwin child of John (1909-1909), Theodore child of Christian (21 Feb 1923-09 Mar 1923); **GENSBURG**, Paulina (1878-03 Jan 1911); **HESS**, Emil child of Andreas (03 Jul 1913-01 Aug 1914); **LEY**, Christina (1891-1908), Wilhelm (13 Sep 1857-01 Feb 1929); **REMPFER**, Matthaas (29 Jan 1866 -????); **SCHWEIGERT**, Edwin child of John (29 Sep 1916-30 Sep 1916), Johannes child of Ludwig (18 Aug 1917-24 Aug 1917).

  - Cemetery History: In the fall of 1888 Mr. Adam Jangula donated 10 acres of land for the church and cemetery to St. John's Catholic Church. The church community of settlers built a church 30 by 50 feet. The total cost of the materials for the church was \$1500. At the time of completion, St. John's was the largest and most noble building in McIntosh County. The church has been purchased and stripped of

all its glory but still stands with the cemetery 200 feet to its south. Source-[St. John's Catholic Church Cemetery – Copyright 10 Jul 2002, Jennifer Spangle, 3023 E Cedar Sun Trail, Katy, TX 77449, Phone: (281) 579-2483]

  - History of the Cemetery from Wishek Town History – Diamond Jubilee 1898-1973: Cemetery purchased its first acre of land from Peter Pfeifle in 1926. Since then several additions have been added. The cemetery now consists of approximately three acres. The first burial made in this cemetery was a baby boy, son of Mr. and Mrs. Albert Wolf, buried in November of 1926. The first Cemetery Board members were: Philip Bender, William Huber, Sr., Fred R. Wolf and George Wolf. Present Cemetery Board members on picture are: August Kaseman, Marvin G. Fiechtner and Willard Nickisch. Not pictured are Amos Brinkman, Jr., board member Mrs. Emelia Huber, Treasurer; Edwin

Ketterling, Sexton, and Jacob Wiest, Caretaker. The present project is to enclose the entire cemetery with evergreens, as has been started on the south side, and extend our underground sprinkling system.
