

Diocese of Tiraspol Roman Catholic Church Death Records, 1865 to 1880

KARLSRUHE, Beresan, Odessa District

The following 396 Death records for the Parish of Karlsruhe were read from digital copies of the duplicate records as obtained from the Russian State Archives in the city of Saratov, Russia. At the end of each year, the Parish priest had to submit to Diocese Headquarters in Saratov hand-written copies of the entries from the Parish Baptism, Marriage and Death Registers (books). These hand-written copies are archived today in Saratov. Whatever happened to the original parish register-books in most parishes is unknown, but some originals do exist in various regional archives in Ukraine. Only the years 1865, 1866, 1869, 1870, 1872, 1873, 1878, 1879 and 1880 are included in this project.

These death records list the maiden names of the wives and the mothers, and also the surviving children of any adults who died. This information will help the Beresan researcher add to the existing family groupings of Karlsruhe.

A special thanks to Will Enus for indexing these records. And a thank you goes to Matt Klee who reviewed and edited the Karlsruhe indexes.
