## **Roman Catholic Parish Death Records**

### **1870-1915**

In 1869, the colonies of Kostheim, Leitershausen, Mariaheim and Alexanderheim decided to separate from the parish of Heidelberg because of the great distance and to found an independent parish in the colony of Kostheim. In 1874 the villages of Mariafeld, Neukron, Rosalienfeld (Germans); Nikolaewka, Konstantinowka, Torgajewka, Petrowka, Kosakowka (Poland); Tschechograd (Bohemia) and the city of Melitopol were assigned to the Kostheim Parish.

The following is an index of the deaths recorded in the Kostheim Parish from its inception in 1870 through 1915. These records were obtained from the Russian State Archive in Saratov.

This index is provided with the permission of the Catholic Churchrecords Taurien, Ukraine – Research Group
