

LANDAU Parish, Beresan.

Catholic Church Death Records 1866 to 1880

Photo credit: Joseph Schnurr, Die Kirchen und das Religiöse Leben der Russlanddeutschen.

The death records for ALL of the Catholic Parishes of the Diocese of Tiraspol for the years 1865, 1866, 1869, 1870, 1872, 1873, 1878, 1879, and 1880 were copied by cell-phone camera in the reading room of the Archives in 2017.

The following Landau Village Church death records were obtained from the Russian State Archives in Saratov. Fonds 265 to 543. A total of 566 death records were indexed for the years 1866, 1869, 1870, 1872, 1873, 1878, 1879, and 1880. These death records often list the maiden names of the wives and the mothers, and also the surviving children of any adults who died. This information will help Beresan researchers add to the existing family groupings of Landau.

The information from the images was read, translated and indexed by **Will Enus** of Germany. They were reviewed by **Marina Vollmer, Matt Klee** and **Merv Weiss**. The records for the year 1866 were particularly difficult to read. The Church “year” began 01 November and ended 31 Oct of the following year.
