316	28	Andreas, Adolf	7	Apr	1906				7m 2d	Birth and death records contradict each other. Our best guess on the situation is that Johann Andreas and Elisabetha Zwicker are married. They have a daughter, Karolina Andreas. Karolina has an illegitimate son, Adolf Andreas. Possibly Johann and Elisabetha brought the child for baptism and/or claimed to be the child's parents to initially protect their unmarried daughter.
