KLOSTERDORF COLONIST MARRIAGES

as recorded in Kherson Roman Catholic Parish

Years 1859 – 1920

Kherson Archives Fond 327

Online access at

<https://kherson.archives.gov.ua/>

This index covers only those entries deemed to apply to German grooms and brides from Klosterdorf. Several other communities are included in the records (Kisilewka, Zarevodar), but those entries are not indexed. The marriages were recorded in the Kherson Roman Catholic Parish Register in the city of Kherson, but many of these marriages would have occurred in Klosterdorf, in my opinion, especially when one observes eight Klosterdorf couples marrying on the same day (18 Oct 1871). I doubt eight wedding parties would have traveled the 100 kilometers to Kherson on the same day. You can find Klosterdorf on a current map of Ukraine by searching for Zmiiivka.

The records of Fond 327 are the original Church records, not the hand-written copies which were sent to Saratov. They were read and indexed by Merv Weiss, and reviewed by Irina Ebenal.

KLOSTERDORF KOLONISTEN EHEURKUNDEN

aufgezeichnet in der römisch-katholischen Pfarrei Cherson

Jahre 1859 - 1920

Chersoner Archiv Fond 327

Online-Zugang unter

<https://kherson.archives.gov.ua/>

Dieser Index umfasst nur die Einträge, die sich auf deutsche Bräutigame und Bräute aus Klosterdorf beziehen. Einige andere Gemeinden sind in den Aufzeichnungen enthalten (z.B. Kisilewka, Zarevodar), aber diese Einträge sind nicht indexiert. Die Eheschließungen wurden im römisch-katholischen Pfarramt der Stadt Cherson eingetragen, aber nach meiner Meinung werden viele dieser Eheschließungen werden meiner Meinung nach in Klosterdorf stattgefunden haben. Sie können Klosterdorf auf einer Karte der Ukraine finden. Heute heißt das Dorf Zmiivka.

Die Aufzeichnungen von Fond 327 sind die originalen Kirchenbücher, nicht die handgeschriebenen Kopien, die nach Saratov geschickt wurden. Sie wurden von Merv Weiss gelesen und indiziert, und von Irina Ebenal überprüft.
